### PACKAGING

Individually packaged with keys (where appropriate), screws and screw cover caps. 25 handles per outer box

### MAINTENANCE

All handles should be lightly lubricated twice a year and the surface cleaned with a soft damp cloth to remove any dust or grime, taking care not to scratch the surface finish.

All dimensions are in mm and are nominal.  
 ERA reserves the right to change specification without notice  
 It is the responsibility of the window manufacturer to ensure that the finished product meets any required safety and performance specification.
